

**Cathy & Marcy Present:
EVERY CHILDREN'S LIBRARIAN'S MUSICAL TOYBOX:
A WORKSHOP FOR CHILDREN'S LIBRARIANS**

This workshop is for the children's librarian who would like to incorporate more music into their activities with children, but lacks confidence in their musical talent and skills. Participants will build confidence in their ability to effectively use music for storytelling, early literacy skills and just plain fun! Included are ideas on making and playing homemade instruments, creative ways to use recorded music, increasing your repertoire, song leading for group singing. Learn several simple songs with American Sign Language. Enjoy yourself and learn something new while Cathy & Marcy share their "tricks of the trade" that encourage full participation from an audience of children.
